

# Value 2010

## Recognising Value in Africa – Discern and Discover ...

The University of Johannesburg, Faculty of Economic and Financial Sciences will be hosting its 3rd Biennial Value Conference taking place at the Birchwood Hotel & O R Tambo Conference Centre, Gauteng from the **30 August - 1 September 2010**.

**Value 2010** is the most important African conference where senior level academics and practitioners can discuss financial value on a strategic level. Our expert panel of speakers will provide real-time knowledge. Keynotes, gurus and market leaders will share their strategies, enabling development and growth in this environment. At **Value 2010** we will bring together Africa's most important decision makers and thought leaders. Attendees will have the opportunity to congregate in a focused environment, and more importantly, strike deals of mutual benefit!
